

Turn your
ideas into
reality with
our **vision.**

We are a creative design company based in Galway.

Lead by project manager Aidan Brady and supported by a young dynamic team of architects, graphic designers and a specialists fit out team. We offer an affordable design solution for small scale projects such as Cafes, Kiosks, In Store Counters etc.

1 Site Visit - Consultation.

We visit your premises discuss your requirements and agree a plan.

2 Survey Your Premises.

We complete a site survey and a first draft 2d drawing for discussion.

3 Design Process begins.

We begin the design, we consult you during the process with mood boards and 2/3 revisions drawings.

4 Complete Design File.

When agreement is reached we complete the design file with 2d and 3d colour illustration drawings. This file now allows you to move the project forward.

5 Project Management.

Once designs are agreed we are happy to provide project management service and can agree a fee to complete your project working alongside your contractors.

6 + Large Scale

We also provide design for large scale commercial kitchen, hospitality and retail projects
